The bonus form is the primary source of tracking race performance and club involvement. Even though you may not rank for the bonus payout in a given month, the races add up for the uniform reimbursement program, jr. license reimbursement and provide information for club awards. Also, it is a means to provide data to our sponsors regarding ad exposure. All who race and help with club programs are requested to submit a monthly bonus sheet.

In return:

1. You are to demonstrate good sportsmanship
2. show respect for officials, event promoters, sponsors, and all
3. help with at least one club promotion (stipend noted above)
